This title conforms to the revenue estimate in the adopted FY 2003 Budget and Financial Plan. It is anticipated that the proposed $10.00 increase in these fines will conservatively generate $8,541,644 in revenue. This amounts to $700,000 more than the Mayor’s anticipated revenue estimate proposed in the Fiscal Year 2003 budget and financial plan submitted to the Council. The Committee on Public Works and the Environment found that the Mayor’s calculation was based on only 70 Parking Control Aides on board. The Committee noted that 243 Parking Control Aides are anticipated to be on board in Fiscal Year 2003. Based on anticipated vacancy rates the Committee’s revenue is calculated using 185 Parking Control Aides on board and working 220 days per year writing 36.86 tickets per day.

TITLE XXIII. UNEMPLOYMENT COMPENSATION AMENDMENTS
SUBTITLE A. UNEMPLOYMENT COMPENSATION ALTERNATIVE BASE PERIOD AMENDMENT

Sec. 2301. Short title.
This subtitle may be cited as the "Unemployment Compensation Alternative Base Period Amendment Act of 2002".

Sec. 2302. The District of Columbia Unemployment Compensation Act, approved August 28, 1935 (49 Stat. 946; D.C. Official Code § 51-101 et seq.), is amended as follows:
(a) Section 1(6) (D.C. Official Code § 51-101(6)) is amended to read as follows:
"(6) "Base period" means:
(A) The first 4 out of the last 5 completed calendar quarters immediately preceding the first day of the individual's benefit year; or
(B) Alternatively, for benefit years effective on or after the applicability date of this title, for any individual who does not have sufficient wages in the base period as described above, the last 4 completed calendar quarters immediately preceding the first day of the individual's benefit year, if such period qualifies the individual for benefits under 7(c). Wages that fall within the base period of claims established under this paragraph are not available for reuse in qualifying for any subsequent benefit years.".
(b) Section 13(b) (D.C. Official Code § 51-113(b)) is amended by adding a new paragraph (3) to read as follows:
"(3) The Director shall be responsible for establishing rules pertaining to the alternative base period, defined in section 1(6)(B), which shall be published no later than 180 days following the effective date of the Unemployment Compensation Alternative Base Period Amendment Act of 2002, and shall include rules for:
(A) Obtaining wage information, if wage information for most recently completed calendar quarter is not available to the Department of Employment Services from regular quarterly reports or wage information that is systematically accessible; and
(B) Notifying claimants of alternative base period eligibility.".

Sec. 2303. Availability of funds.

(b) The Reed Act funds distributed to the District of Columbia account in the Unemployment Compensation Trust Fund under section 903(d) of the SSA are authorized to be used to pay administrative costs associated with implementation of the alternative base period. Of the funds, $460,000 is authorized to be appropriated for necessary administrative costs to implement within the current automated unemployment compensation system such alternative base period.

Sec. 2304. Applicability.
This subtitle shall apply 180 calendar days after the effective date of this act.
Sec. 2305. Fiscal impact statement.

There is no fiscal impact. The Job Creation and Worker Assistance Act of 2002, approved March 9, 2002 (Pub. L. 107-147), provided for Reed Act transfers from the Federal Unemployment Trust Fund to the States. Public Law 107-147 further provides that these funds may be used to provide unemployment compensation to individuals who would be eligible for benefits under an unemployment compensation law that provides for an alternative base period and for the administration associated with its implementation. On March 13, 2002, the District received $26 million pursuant to the Reed Act transfer. Based on the experience of other states that have adopted an alternative base period, it is estimated there would be an additional 1,100 beneficiaries and that the additional benefits would be between $3,200,000 and $4,000,000 annually. Workers who would become eligible generally have lower earnings and, therefore, would receive lower benefit amounts. The Reed Act transfer monies are more than sufficient to provide funding for the cash benefits authorized under this act for the next five years. The Reed Act transfer funds shall also be used for the administrative costs associated with implementing the alternative base period legislation.

SUBTITLE B. UNEMPLOYMENT COMPENSATION MODERNIZATION AMENDMENT
Sec. 2351. Short title.
This title may be cited as the “Unemployment Compensation Modernization Amendment Act of 2002”.

Sec. 2352. Section 14(c)(2) of the District of Columbia Unemployment Compensation Act, approved August 28, 1935 (49 Stat. 954; D.C. Official Code § 51-114 (c)(2)), is amended to read as follows:

"(2) Of the amount deposited in the Interest Account, $4,500,000 shall be transferred to the Special Administrative Expense Fund established by subsection (b) of this section, upon certification of the Director to the Chief Financial Officer of the District of Columbia that such monies are no longer needed to pay such interest bearing advances and interest assessments. The funds transferred from the Interest Account to the Special Administrative Account shall not be subject to the limitations imposed by subsection (b)(4) of this section and shall be expended on:

(A) Installation of an Interactive Voice Response system, for processing initial, reopened, and transitional claims, for responding to inquiries on current benefit overpayment balances and status of most recent repayments, for providing general information on the process for filing an appeal and specific information on the status of a filed appeal, and for the processing of a household employer’s annual contribution report;

(B) Implementation of Internet based electronic applications, which would allow an employer to register, to update its account for changes of address, phone, and business status, to submit its quarterly reports, and in the case of a household employer to submit annual reports and make payment electronically;

(C) Implementation of an integrated scanning, imaging, and retrieval system;

(D) Implementation of an Internet based fraud control program;

(E) Implementation of an Internet based system for scheduling benefit hearings and other procedures;

(F) Implementation of a system for direct deposit and electronic transfer of benefit payments; and

(G) Activities in support of the Unemployment Compensation Terrorist Response Temporary Amendment Act of 2002, passed on 2nd reading on May 7, 2002 (Enrolled version of Bill 14-619), and the increased workload associated with the events of September 11,
Sec. 2353. Fiscal impact statement.

Funds are sufficient in the proposed FY 2003 through FY 2006 budget and financial plan to implement the provisions of this legislation. The proposed legislation authorizes a draw down of $4.5 million from the Unemployment Insurance Surcharge Account and puts the funds in a dedicated "O" type account to implement the DOES Information Technology Initiative.

("One Judiciary Square") to the Office of Zoning ("OZ") to address OZ's increased space requirements. The space to be provided shall be set forth in a plan which shall be submitted by the Mayor to the Council not later than September 1, 2002.

Sec. 2403. Section 1108(c)(2) of the District of Columbia Government Comprehensive Merit Personnel Act of 1978, effective March 3, 1979 (D.C. Law 2-139; D.C. Official Code § 1-611.08(c)(2)), is amended as follows:

(b) Subparagraph (G) is amended by striking the phrase "$6,000" and inserting the phrase "$12,000" in its place.

Sec. 2404. Fiscal impact statement.

The Fiscal Year 2003 budget and financial plan includes $350,000 in capital authority to support build-out costs for additional space needed by OZ at One Judiciary Square and $65,000 in increased nonpersonal services funding for OZ during FY 2003 to address increased operating costs from the additional space to be provided pursuant to section 2402 of this title. Due to a doubling of the workload of the Zoning Commission and the Board of Zoning Adjustment, section 2403 of this title increases the statutory cap on the maximum annual stipend for Zoning Commission and Board of Zoning members from $6,000 to $12,000. Pursuant to section 1108(c)(J), chairpersons of each entity may receive an additional 20% above the annual maximum. The maximum potential fiscal impact of section 2403 is $38,400, which has been funded in the FY 2003 budget and financial plan.
TITLE XXV. BOARDS AND COMMISSIONS COMPENSATION STUDY AMENDMENT

Sec. 2501. This title may be cited as the "Boards and Commissions Compensation Study Amendment Act of 2002".

Sec. 2502. Section 1108 of the District of Columbia Government Comprehensive Merit Personnel Act of 1978, effective March 3, 1979 (D.C. Law 2-139; D.C. Official Code § 1-611.08), is amended by adding a new subsection (e) to read as follows:

“(e) The Mayor shall conduct a comprehensive study of the compensation and stipend levels of the District’s boards and commissions, recognizing the different characteristics of these entities, and examining the best practices in the compensation and stipend policies of surrounding and comparable jurisdictions. Based on this study, the Mayor shall provide a report to the Council by December 31, 2002, with recommendations for a rational compensation and stipend policy applicable to boards and commissions, including any recommendations for changes in specific compensation and stipend levels that could be addressed in the FY 2004 budget and financial plan.”.

Sec. 2503. Fiscal impact statement.

The Fiscal Year 2003 budget and financial plan includes sufficient funds within the Executive Office of the Mayor, including the Office of Boards and Commissions and the Office of Personnel, to conduct a study and prepare a report to the Council on the compensation and stipend levels of the District’s boards and commissions.

(b) The performance plan shall describe the strategy for how the mission (including its needs assessment goals and service delivery goals and objectives) will be accomplished. This description of strategy shall include all of the functions, activities, operations, and projects required for effective implementation of the performance plan. The performance plan shall state measurable or objective performance goals and objectives for all significant activities of the agency or program. The plan shall identify (describe and quantify) the classes of persons to be served and how (qualitatively and quantitatively) those classes will change as a result of the mission, objectives, and goals.

(c) The performance plan shall also provide national norms, industry standards, typical benchmarks, performance measures from other cities, or other relevant comparative data.

(d) The performance plan shall detail how the agency or program will provide improved service delivery that:

(2) Reduces expenditures over the time frame of the plan, especially from local funds; and

TITLE XXXVII. TEACHERS, POLICE, AND FIREFIGHTERS RETIREMENT AMENDMENTS

SUBTITLE A. TEACHERS RETIREMENT CONSOLIDATION AMENDMENTS

Sec. 3701. Short title.
This subtitle may be cited as the “Teachers Retirement Consolidation Amendment Act of 2002”.

Sec. 3702. An Act for the retirement of public-school teachers in the District of Columbia, approved August 7, 1946 (60 Stat. 875; D.C. Official Code § 38-2021.01 et seq.), is amended by adding new sections 24 and 25 to read as follows:

"Sec. 24. Rollovers; purchase of service credit.
(a) Any individual withdrawing any distribution under this act, which distribution constitutes an eligible rollover distribution within the meaning of section 402(c) of the Internal Revenue Code of 1986, approved August 16, 1954 (68A Stat. 135; 26 U.S.C. § 402(c)) (“Internal Revenue Code of 1986”), may elect, at the time and in the manner prescribed by the Mayor, and after receipt of proper notice, to have any portion of the distribution paid directly to an eligible retirement plan, within the meaning of section 402(c) of the Internal Revenue Code of 1986, in a direct rollover.

(b) The Custodian of the Retirement Funds shall be entrusted with any transfer from another retirement plan for the purchase of service credit, including transfers allowed by sections 403(b) and 457 of the Internal Revenue Code of 1986. Before any transfer is received, the Mayor shall be presented with documentation sufficient to satisfy the provisions of the Internal Revenue Code of 1986 governing the substantiation of proposed transfers for the purchase of service credit.
“(c)(1) The Custodian of the Retirement Funds shall also be entrusted with any rollover contribution from:

"(A) A qualified plan described in section 401(a) or 403(b) of the Internal Revenue Code of 1986, excluding after-tax employee contributions;

"(B) An annuity contract described in section 403(b) of the Internal Revenue Code of 1986, excluding after-tax employee contributions;

"(C) An eligible plan under section 457(b) of the Internal Revenue Code of 1986 which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state; or

(D) Amounts transferred from an individual retirement account or annuity described in section 408(a) or 408(b) of the Internal Revenue Code of 1986 that is eligible to be rolled over and would otherwise be includible in gross income.

"(2) The rollover shall be separately accounted for as member contributions that were not previously taxed. Before any rollover is received, the Mayor shall be presented with documentation sufficient to satisfy the provisions of the Internal Revenue Code of 1986 governing the substantiation of proposed rollover contributions. The rollover shall be used to purchase service credit in addition to the service credit provided under the provisions of this act.

“(d) The Mayor shall administer the plan in the manner required to satisfy the applicable qualification requirements for a qualified governmental plan pursuant to the Internal Revenue Code of 1986. If a conflict should arise with a qualification requirement, the provision shall be interpreted in favor of maintaining the federal qualification requirements. The Mayor may adopt rules to implement this section.

"Sec. 25. Internal Revenue Code limits.

“(a)(1) Benefits and contributions under the provisions of this act shall not be computed with reference to any compensation that exceeds that maximum dollar amount permitted by section 401(a)(17) of the Internal Revenue Code of 1986, as adjusted for increases in the cost-of-living.

"(2) This subsection shall apply as of October 1, 2002, and shall apply only with respect to an individual who first becomes covered by this act after October 1, 2002.

"(b) Benefits shall not be payable under this act to the extent that they exceed the limitations imposed by section 415 of the Internal Revenue Code of 1986, as adjusted for increases in the cost-of-living.".

Sec. 3703. Construction of subtitle.
This subtitle is adopted in good faith to comply with the requirements of the Economic Growth and Tax Relief Reconciliation Act of 2001, approved June 7, 2001 (115 Stat. 38; scattered sections of Title 26 of the U.S. Code) ("EGTRRA") and shall be construed in accordance with EGTRRA and guidance issued thereunder.
Sec. 3704. Applicability.
This subtitle shall apply as of January 1, 2002.

Sec. 3705. Fiscal impact statement.
The enactment of this subtitle makes it easy for employees to purchase service credit with
distributions from other retirement plans. There is no cost to the District for implementing this
pension reform. The Fiscal Year 2003 budget and financial plan includes sufficient funds with the
D.C. Retirement Board and D.C. Office of Personnel to administer this pension reform.

SUBTITLE B. POLICE AND FIREFIGHTERS RETIREMENT CONSOLIDATION
Sec. 3721. Short title.
This subtitle may be cited as the “Police and Fire Retirement Consolidation Amendment
Act of 2002”.

Sec. 3722. Section 12 of An Act Making appropriations to provide for the expenses of the
Government of the District of Columbia for the fiscal year ending June thirteenth, nineteen
hundred and seventeen, and for other purposes, approved September 1, 1916 (39 Stat. 718; D.C.
Official Code § 5-701 et seq.), is amended as follows:
(a) Subsection (d) (D.C. Official Code § 5-706) is amended by adding new paragraphs (5)
through (9) to read as follows:

(“Internal Revenue Code of 1986”), may elect, at the time and in the manner prescribed by the
Mayor, and after receipt of proper notice, to have any portion of the distribution paid directly to
an eligible retirement plan, within the meaning of section 402(c) of the Internal Revenue Code of
1986, in a direct rollover.
“(6) The Custodian of the Retirement Funds shall be entrusted with any transfer
from another retirement plan for the purchase of service credit, including transfers allowed by
sections 403(b) and 457 of the Internal Revenue Code of 1986. Before any transfer is received,
the Mayor shall be presented with documentation sufficient to satisfy the provisions of the Internal
Revenue Code of 1986 governing the substantiation of proposed transfers for the purchase of
service credit.
“(7)(A) The Custodian of the Retirement Funds shall also be entrusted with any
rollover contribution from:
"(i) A qualified plan described in section 401(a) or 403(b) of the
Internal Revenue Code of 1986, excluding after-tax employee contributions;
"(ii) An annuity contract described in section 403(b) of the
Internal Revenue Code of 1986, excluding after-tax employee contributions;
"(iii) An eligible plan under section 457(b) of the Internal Revenue Code of 1986 which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state; or

"(iv) Amounts transferred from an individual retirement account or annuity described in section 408(a) or 408(b) of the Internal Revenue Code of 1986 that is eligible to be rolled over and would otherwise be includible in gross income.

"(B) The rollover shall be separately accounted for as member contributions that were not previously taxed. Before any rollover is received, the Mayor shall be presented with documentation sufficient to satisfy the provisions of the Internal Revenue Code of 1986 governing the substantiation of proposed rollover contributions. The rollover shall be used to purchase service credit in addition to service credit provided under the provisions of subsection (c) of this section.

“(8) The Mayor shall administer the plan in the manner required to satisfy the applicable qualification requirements for a qualified governmental plan pursuant to the Internal Revenue Code of 1986. If a conflict should arise with a qualification requirement, the provision shall be interpreted in favor of maintaining the federal qualification requirements.

“(9) The Mayor may adopt rules to implement this section.”.

(b) A new subsection (n-1) is added to read as follows:

“(n-1) Benefits and contributions under the provisions of this act shall not be computed with reference to any compensation that exceeds that maximum dollar amount permitted by section 401(a)(17) of the Internal Revenue Code of 1986, as adjusted for increases in the cost-of-living. This provision shall take effect as of October 1, 2002, and shall apply only with respect to an individual who first becomes covered by this act after that date.

“(2) Benefits shall not be payable under this chapter to the extent that they exceed the limitations imposed by section 415 of the Internal Revenue Code of 1986, as adjusted for increases in the cost-of-living.”.

Sec. 3723. Applicability.
This subtitle shall apply as of January 1, 2002.

Sec. 3724. Fiscal impact statement.
The enactment of this subtitle makes it easy for employees to purchase service credit with distributions from other retirement plans. There is no cost to the District for implementing this pension reform. The Fiscal Year 2003 budget and financial plan includes sufficient funds with the D.C. Retirement Board and D.C. Office of Personnel to administer this pension reform.

SUBTITLE C. RETIREMENT REFORM CONSOLIDATED ACTUARIAL ENGAGEMENT AMENDMENT
Sec. 3731. Short title.
This subtitle may be cited as the “Retirement Reform Consolidated Actuarial Engagement Amendment Act of 2002”.

Sec. 3732. Section 142(d)(1) of the District of Columbia Retirement Reform Act, approved November 17, 1979 (93 Stat. 866; D.C. Official Code § 1-722(d)(1)), is amended by adding a new sentence at the end to read as follows:

“Whenever any change in benefits under a retirement program is made to either, but not both, the Metropolitan Police Department or the Fire and Emergency Medical Services Department, the Mayor shall engage an enrolled actuary to perform the same study contemporaneously for the other employee group for which the change was not made.”.

Sec. 3733. Fiscal impact statement.

This subtitle requires an actuary to provide a financial impact study on both employee groups under the police officers and fire fighters retirement plan, when a change in benefits is proposed. Under current law (D.C. Official Code §1-722), whenever a change in benefits is made under a retirement program for police officers and fire fighters, or teachers, the Mayor is required to hire an actuary to estimate the financial effect of such change in benefits over a 5-year period. If a change in benefits is proposed for only one covered employees group, the actuary is required to study the financial impact only for that particular group. As a practical reality, when one group successfully negotiates an enhanced retirement benefit, the other group is likely to request the same benefit in subsequent legislation, creating a potential scenario for the actuary to conduct two separate studies. The average cost of an actuary study is $5,000 - $10,000 depending on the complexity of the study. The potential savings of conducting one study rather than conducting two separate studies is $2,000 - $4,000 per study.

SUBTITLE D. RETIREMENT REFORM REPLACEMENT ACTUARIAL ENGAGEMENT AMENDMENT

Sec. 3741. Short title.

This subtitle may be cited as the “Retirement Reform Replacement Actuarial Engagement Amendment Act of 2002”.

Sec. 3742. Section 133(c)(2) of the Police Officers, Fire Fighters, and Teachers Retirement Benefit Replacement Plan Act of 1998, effective September 18, 1998 (D.C. Law 12-152; D.C. Official Code § 1-907.03(c)(2)), is amended by striking the phrase "District payments." and inserting the phrase "District payments; provided that whenever any change in benefits under a retirement program is made to either, but not both, the Metropolitan Police Department or the Fire and Emergency Medical Services Department, the Mayor shall engage an enrolled actuary to perform the same study contemporaneously for the other employee group for which the change was not made.” in its place.
Sec. 3743. Fiscal impact statement.
This subtitle requires an actuary to provide a financial impact study on both employee groups under the police officers and fire fighters retirement plan, when a change in benefits is proposed. Under current law (D.C. Official Code §1-722), whenever a change in benefits is made under a retirement program for police officers and fire fighters, or teachers, the Mayor is required to hire an actuary to estimate the financial effect of such change in benefits over a 5-year period. If a change in benefits is proposed for only one covered employees group, the actuary is required to study the financial impact only for that particular group. The average cost of an actuary study is $5,000 - $10,000 depending on the complexity of the study. The potential savings of conducting one study rather than conducting two separate studies is $2,000 - $4,000 per study.

TITLE XXXVIII. LABOR RELATIONS AND COLLECTION BARGAINING AMENDMENTS
SUBTITLE A. FUNDING FOR THE OFFICE OF LABOR RELATIONS AND COLLECTIVE BARGAINING
Sec. 3801. Short title.
This subtitle may be cited as the "Office of Labor Relations and Collective Bargaining Act of 2002".

Sec. 3802. Reimbursement for representation by Office of Labor Relations and Collective Bargaining.
(a) Any agency that is represented by the Office of Labor Relations and Collective Bargaining ("OLRCB") in third-party cases, grievances, and dispute resolution shall pay the cost of representation established through an intradistrict agreement with the OLRCB.
(b) Beginning in Fiscal Year 2003, the OLRCB shall calculate and assess the costs for representing agencies under the direct personnel authority of the Mayor in third-party cases, grievances, and dispute resolution. The OLRCB shall negotiate the cost of representing an independent agency in third-party cases, grievances, and dispute resolution with the independent agency.

Beginning with the proposed budget for Fiscal Year 2004, the Mayor shall provide in the budget funding for the Office of Labor Relations and Collective Bargaining ("OLRCB") represented as a separate line or responsibility center. The Mayor shall include in the budget request submitted to the Council historical spending information for the OLRCB so that an accurate, complete comparison can be made of the fiscal costs for the OLRCB.

Sec. 3804. Fiscal impact statement.
This title is budget neutral because it generates funds for the Office of Labor Relations and Collective Bargaining through intradistrict revenues.

SUBTITLE B. LABOR RELATIONS AMENDMENT
Sec. 3831. Short title.
This subtitle may be cited as the "Labor Relations Amendment Act of 2002".

Sec. 3832. Title XVII of the District of Columbia Government Comprehensive Merit Personnel Act of 1978, effective March 3, 1979 (D.C. Law 2-139; D.C. Official Code §§ 1-617.01 - 1-617.18), is amended as follows:

(a) Section 1701(c) (D.C. Official Code § 1-617.01(c)) is amended by striking the phrase "employee representatives" and inserting the phrase "representative(s) of bargaining unit employees" in its place.

(b) Section 1704(a)(1) (D.C. Official Code § 1-617.04(a)(1)) is amended by adding the word "with" after the word "interfering".

(c) Section 1706(a) (D.C. Official Code § 1-617.06(a)) is amended as follows:
   (1) Paragraph (2) is amended by striking the word "and" at the end.
   (2) Paragraph (3) is amended by striking the period at the end and inserting the phrase "; and" in its place.
   (3) A new paragraph (4) is added to read as follows:
      "(4) to refrain from any or all such activities under paragraphs (1), (2), and (3) of this subsection, except to the extent that such right may be affected by an agreement requiring membership in a labor organization as a condition of employment as authorized in section 1711.".

(d) Section 1711(a) (D.C. Official Code § 1-617.11(a)) is amended by striking the phrase "in an amount equal to the dues of the employees' organizations" and inserting the phrase "consistent with law" in its place.

(e) Section 1717 (D.C. Official Code § 1-617.17) is amended as follows:
   (1) Subsections (c) and (e) are repealed.
   (2) Subsection (f) is amended as follows:
      (A) Paragraph (1) is amended to read as follows:
      "(1) Collective bargaining for a given fiscal year or years shall take place at such times as to be reasonably assured that negotiations shall be completed prior to submission of a budget for said year(s) in accordance with this section.
      "(A) A party seeking to negotiate a compensation agreement shall serve a written demand to bargain upon the other party during the period 120 days to 90 days prior to the first day of a fiscal year, for purposes of negotiating a compensation agreement for the subsequent fiscal year.
      "(B) Negotiations among the parties shall continue until a settlement is reached, or until 180 days after negotiations have commenced.".
      (B) Paragraph (2) is amended by striking the first and second sentences and inserting the sentence "If the parties have failed to begin negotiations within 90 days of the end of the annual notice period, or have failed to reach settlement on any issues 180 days after negotiations have commenced, then an automatic impasse may be declared by any party.".
its place.

(3) Subsection (g) is amended by striking the last sentence.
(4) Subsection (m) is amended by striking the first and second sentences and inserting in its place a new sentence to read as follows:
"When the Public Employee Relations Board makes a determination as to the appropriate bargaining unit for the purpose of compensation negotiations pursuant to section 1716, negotiations for compensation between management and the exclusive representative of the appropriate bargaining unit shall commence as provided for in subsection (f) of this section.".

Sec. 3833. Fiscal impact statement.
This title will have no fiscal impact as it pertains to the existing functions and responsibilities of the Office of Labor Relations and Collective Bargaining. However, the legislation will affect beneficially the relationship between bargaining and the District of Columbia government budget process.

TITLE XXXIX. WATER AND SEWER OPERATIONS
Sec. 3901. Short title.
This title may be cited as the "Water and Sewer Operations Amendment Act of 2002".

Sec. 3902. Section 207(a)(3) of the District of Columbia Public Works Act of 1954, approved May 18, 1954 (68 Stat. 106; D.C. Official Code § 34-2107(a)(3)), is amended to read as follows:
"(3)(A) For any unimproved real property under construction that discharges groundwater into a District-owned sanitary sewer, or combined sewer, or for any real property using water, part of which is from a source or sources other than the District water supply system, the real property owner shall pay a sanitary sewer service charge separate from and in addition to any sanitary sewer service charge levied in paragraphs (1) or (2) of this subsection. For any improved real property that discharges groundwater into a District-owned sanitary or combined sewer, the real property owner shall not be subject to payment of a separate and additional charge for discharges of groundwater, but shall pay for discharges of cooling water into a District-owned sanitary of combined sewer that are derived from a source or sources other than the District water supply system.
"(B)(i) For unimproved real property under construction the separate and additional sanitary sewer service charge shall apply to and be measured by the quantity of water that is derived from the groundwater and is discharged into the District sanitary or combined sewer system.
"(ii) For improved real property, the separate and additional sanitary sewer service charge shall apply to and be measured by the quantity of water that is derived from the cooling water and is discharged into the District sanitary or combined sewer system."
"(iii) For real property using water from a source or sources other than the District water supply system, such separate and additional charge shall be measured by the quantity of water from the source or sources other than the District water supply system discharged into the District sanitary or combined sewer system from the property.

"(C) Unless the Mayor determines that it is not practicable, the owner of the real property shall install and maintain, at a location approved by the Mayor and without cost to the District, any sanitary meter or device necessary to measure the quantity of groundwater, cooling water, or water from other than the District water supply system that is discharged into the District's sanitary sewers.

"(D) For purposes of this section, the determination made by the Mayor pursuant to Chapter 8 of Title 47 of the D.C. Official Code as to whether property is improved or unimproved shall apply.".

Sec. 3903. Fiscal impact statement.

The title will have a positive fiscal impact. Currently, no funds are budgeted for the District government to install meters and pay groundwater charges in its buildings. The District has approximately 1,600 operations buildings, many of which have groundwater. If the amendment is not passed, the District would have local expenditures that exceed budgeted amounts.

TITLE XL. OFFICE OF INSPECTOR GENERAL DOMICILIARY

Sec. 4001. Short title.

This title may be cited as the "Office of Inspector General Domiciliary Amendment Act of 2002".

Sec. 4002. Section 906 of the District of Columbia Government Comprehensive Merit Personnel Act of 1978, effective March 3, 1979 (D.C. Law 2-139; D.C. Official Code § 1-609.06), is amended by adding a new subsection (i) to read as follows:

"(i)(1) The Office of the Inspector General shall meet the definitions of "hard to fill" position or "exceptional circumstances" to receive a waiver of the District of Columbia's residency and domicile laws for new hires.

"(2) For the purposes of this subsection, the term:

(A) "Hard to fill position" means a position so designated by the personnel authority on the basis of demonstrated recruitment and retention problems inherent in the position due to the uniqueness of the duties and responsibilities and the unusual combination of highly specialized qualification requirements for the position.

(B) "Exceptional circumstances" means conditions or facts that are uncommon, deviate from or do not conform to the norm, or are beyond willful control, which
are presented to the personnel authority by the Inspector General when hiring an individual to fill a position in the Excepted or Executive Services, and which shall be considered by the personnel authority in determining the reasonableness of granting a waiver of the domicile requirement pursuant to this section and section 1059.

"(3) The Office of Personnel shall have the authority to grant the Office of the Inspector General waivers of the domicile requirement for new positions or hires in the Office of the Inspector General when those positions or hires present exceptional circumstances or for appointees or hires in hard to fill positions.".

Sec. 4003. Fiscal impact statement.
The fiscal impact is minimal since this title reinstates the waiver authority for the Office of the Inspector General, which was granted to the Office of Personnel by Congress.

TITLE XLI. FISCAL YEAR 2004 BUDGET SUBMISSION AMENDMENT
Sec. 4101. Short title.
This title may be cited as the "Fiscal Year 2004 Budget Submission Amendment Act of 2002".

Sec. 4102. Limit on increase in spending.
For fiscal year 2004 the Mayor shall not submit a budget to the Council that increases spending by more than 4% of the fiscal year 2003 budget approved by the Council.

Sec. 4103. Fiscal impact statement.
There is no fiscal impact.

TITLE XLII. EFFECTIVE DATE
Sec. 4201.
